CONDITIONS OF GRANT

This license when signed by an issuing officer of the Commission and countersigned by the licensee is valid for the term as shown on the face hereof.

When a class of operator privileges has been inserted on this license by the Commission, the person named herein as licensee is authorized to operate any amateur radio station licensed by the Commission.

When an amateur station call sign has been inserted on this license by the Commission, the person named herein as licensee is authorized to establish an amateur radio station at the fixed transmitter location herein specified. If remote control is authorized, the remote control position herein specified will also be considered as a fixed transmitter location. This station may be operated fixed, portable, or mobile, and shall be identified by the call sign specified herein.

All authority hereby granted shall be exercised in accordance with the provisions of all treaties, laws, orders, rules and regulations that apply to amateur radio operators and amateur radio stations licensed by the Commission.

This license shall not vest in the licensee any right to operate the station nor any right in the use of authorized frequencies beyond the term hereof, nor in any other manner than authorized herein. This license is subject to the right of use or control by the Government of the United States under section 606 of the Communications Act of 1934, as amended.

CONDITIONS OF GRANT

This license when signed by an issuing officer and countersigned by the licensee is valid until expiration date as shown on upper right hand corner on the face hereof.

When a class of operator privileges has been inserted on this license by the Commission, the person named herein as licensee is authorized to operate an amateur radio station licensed by this Commission only in the manner and to the extent provided by the class of privileges inserted herein.

When an amateur station call sign has been inserted on this license by the Commission, the person named herein as licensee is authorized to establish an amateur radio station at the fixed transmitter location herein specified. If remote control is authorized, the remote control position herein specified will also be considered as a fixed transmitter location. This station may be operated fixed, portable, or mobile, and shall be identified by the call sign specified herein.

All authority hereby granted shall be exercised in accordance with the provisions of all treaties, laws, orders, rules and regulations that apply to amateur radio operators and amateur radio stations licensed by the Commission.

This license shall not vest in the licensee any right to operate the station nor any right in the use of authorized frequencies beyond the term hereof, nor in any other manner than authorized herein. This license is subject to the right of use or control by the Government of the United States under section 606 of the Communications Act of 1934, as amended.
